**Re: #4178 Request for an Extension Candlelight Lodge Addition of 16 ALF beds**

Dear Mr. Piper:

We are requesting <sup>to</sup>an extension<sup>s</sup> for the project #4178 which was approved June 2, 2008. Due the economic downturn and the credit markets we have not yet been able to secure financing. The bank has indicated that the markets are returning and we should be able to get funding soon.

Sincerely,

Ryan Burns
